

KINDY UPLIFT PACKAGES

1. STARTER PACKAGE
2. STARTER + PD PACKAGE
3. INCLUSION PACKAGE
4. COLLABORATIVE INCLUSION PACKAGE

Our tailored PD packages align with the Queensland Government's **Kindy Uplift Program** and provide practical, ready-to-use support.

We work alongside educators to build confidence, strengthen inclusive practice and optimise learning environments.

Through targeted PD, environmental screeners and ongoing strategy support, we help kindies foster regulation, engagement and inclusive participation for all children.

All packages can be customised to suit your centre's needs.

OPTION 1:

KINDY UPLIFT STARTER PACKAGE

- 30 min scoping call (Free of charge)
- 2-hour Environmental inclusion screener
- Brief written summary aligned to Kindy Uplift goals

\$753
+ GST

This package is designed to give educators practical, immediately usable strategies that support inclusive practice across the whole learning environment.

This package includes an environmental inclusion screener of your kindergarten space and a clear written summary with practical resources and tools to support your Kindy Uplift goals.

Educators will gain greater confidence, actionable ideas, and a shared understanding of how small environmental and relational changes can better support children's regulation, engagement and participation, benefiting all children in the program.

Includes all travel.

OPTION 2:

KINDY UPLIFT STARTER PACKAGE + PD

- 30 min scoping call (Free of charge)
- 2-hour Environmental inclusion screener
- 2-hour educator PD (Topic of identified need)
- 30 min written summary aligned to Kindy Uplift goals

\$1771
+ GST

This package equips educators with practical, ready-to-use approaches that strengthen inclusive practices across the entire learning environment.

The package features an environmental inclusion review of your kindergarten setting, a two-hour evidence-informed professional learning session for educators, and a concise written summary filled with actionable tools and resources aligned to your Kindy Uplift priorities.

Educators will feel even more capable and equipped, with clear, actionable ways to adapt their spaces and interactions so children feel calmer, more connected, and better able to take part in everyday learning experiences.

Includes all travel.

OPTION 3:

KINDY UPLIFT INCLUSION PACKAGE

- 30 min scoping call (Free of charge)
- 2-hour Environmental inclusion screener
- 1 hour follow-up educator strategy coaching session
- 1 hour written summary aligned to Kindy Uplift goals

\$1255
+ GST

The package is designed to support educators to confidently include children with diverse learning, sensory and regulation needs within the everyday kindergarten environment.

This package includes a comprehensive environmental screener and a follow-up educator strategy coaching session- focused on practical, strengths-based supports with recommended adjustments required to further enhance the kindy environment. (Recommended 6-8 weeks after initial screener)

Educators gain tailored strategies they can use immediately, improved understanding of individual needs, and clear guidance on how to adapt environments and routines to support participation, regulation and inclusion for all children.

Includes all travel.

OPTION 4:

COLLABORATIVE INCLUSION UPLIFT PACKAGE

- 30 min scoping call (Free of charge)
- 2-hour Environmental inclusion screener
- 2-hour Educator PD (Topic of identified need)
- 3x 1-hour follow-up educator strategy coaching session
- 1 hour written summary aligned to Kindy Uplift goals

\$3027
+ GST

This package provides a comprehensive, collaborative ongoing approach to building capacity in inclusive practice across your entire kindergarten community.

This package includes educator professional development with an in-depth environment review to build shared understanding and consistency between home and kindy, and an end-of-year reflection summary aligned to Kindy Uplift priorities.

The whole-of-service uplift approach, will help educators tailor environmental adjustments, support families and guide timely referrals to allied health, ensuring each child has the best opportunity for safe, confident, and meaningful participation.

Includes all travel.
